SHAPING THE FUTURE OF FABRIC

# WE ARE THE FABRIC OF LIFE

Officially launched in February 2021, Carrington Textiles International (CTi) is the joint venture in Lahore, Pakistan, between Carrington Textiles and Sapphire Textile Mills, benefiting from a vertically integrated manufacturing facility and increasing the company's global capacity to 130 million square metres of fabric a year.

## **50 million metres a year**

This increases Carrington Textiles' production capacity globally to 130 million metres of workwear fabric a year.

## **Wide range of woven fabrics**

CTi offers the most popular constructions and blends of fabric in the international workwear market, with possibilities for new articles on a project basis.

## **Industrial and domestic laundry standards**

Our Industrial Laundry fabrics offer a premium quality product that withstands the rigours of repeated wash and wear cycles, provide excellent washdown performance, physical stability and that all important smarter appearance. Whilst our Domestic Laundry fabrics are designed to meet the changing needs of end users who can launder at home, maintaining the highest standards of quality and performance.

## **Double width fabric European engineered**

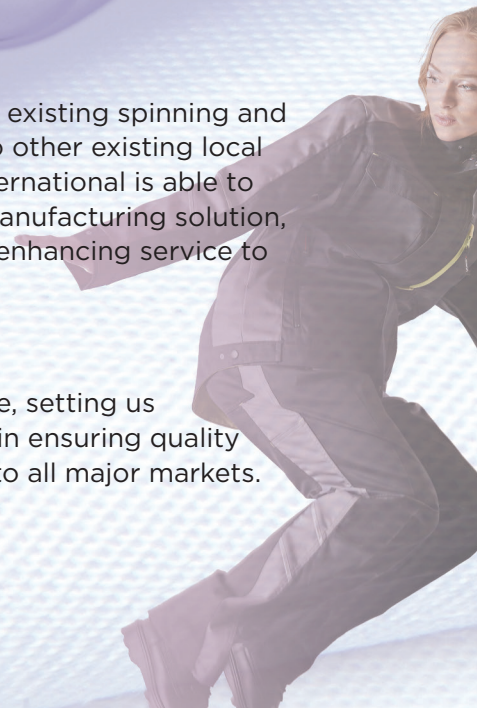

All our fabrics produced at CTi are manufactured using the most modern European dyeing and finishing plant and machinery, including a double width dye range for greater efficiency.

## **Vertical integration**

With the closeness to Sapphire's existing spinning and weaving operations, as well as to other existing local suppliers, Carrington Textiles International is able to provide a vertically integrated manufacturing solution, reducing lead times and further enhancing service to customers.

## **Stock warehoused in Asia**

Finished stock is stored in Lahore, setting us apart from other manufacturers in ensuring quality of service and prompt shipping to all major markets.

THE CITIZENS FOUNDATION (UK)

## The Citizens Foundation (UK)

At Carrington Textiles International we are committed to giving back to the community, and we are proud to support The Citizens Foundation (UK), Pakistan's leading education charity serving disadvantaged communities locally.

TFC provides high quality, low cost education in urban and rural communities in Pakistan, where access to education is limited and sometimes non-existent.

With our donation, TFC will be able to cover the costs of teacher salaries, children's tuition, textbooks, stationery, classroom maintenance and monitoring and evaluation at the Primrose Hill Campus located in Nowshera, Khyber Pakhtunkhwa.

For more information about The Citizens Foundation (UK), please visit [www.tcf-uk.org](http://www.tcf-uk.org)

Carrington Textiles International are committed to the ultimate in service. This is delivered across the world through strategically located sales representatives, agents and customer service personnel.
